

Poca Elementary School
2018-2019
Strategic Plan

Prioritized Goals:

- Poca Elementary will increase overall proficiency in math by 30% as measured by benchmark assessment from beginning of the year benchmark (BOY) to end of the year (EOY) benchmark testing
- Poca Elementary will increase overall proficiency in reading language arts by increasing Lexile scores an average of 30% at all grade levels as measured by beginning of the year (BOY) and end of the year (EOY) benchmark testing
- During the 2018 - 2019 school year, Poca Elementary will implement Positive Behavioral Interventions and Support practices to decrease the number of Office Discipline Referrals (ODRs) and In-School Suspensions by 20% from the end of the first nine weeks grading period to the last nine weeks grading period.
