

## Title I Program

Title I is a federally funded program. Poca Elementary has three Title I Reading/Math teachers. Funding is determined by the number of students that qualify for free and reduced lunch. If you have not applied for free and reduced lunch, please see or call the school secretary in the office for a form or go online to [www.wvschoolmeals.net](http://www.wvschoolmeals.net)

The Title I program is to provide early intervention, pre-teaching, readiness, reinforcement and enrichment experiences so students may acquire basic reading and math skills corresponding to their abilities. Our goal is to increase the number of student proficient in English/Language Arts, Mathematics and Writing.
